

Beginning from our Estate Vineyards, we meticulously handcraft the wine from the vine all the way to the bottle. We specialize in small releases of our Bordeaux Wines that are elegant, well balanced and cuisine compatible. We take an “artist’s” approach to winemaking: on tiny acreage, in small batches, minimalist winemaking without a lot of mechanical equipment. The results are award winning World Class Wines.

We understand that choosing a wine club is an important decision and we want to help you create that perfect environment for your wine club experience. Join us and enjoy first-class hospitality from our kindred spirit at South Creek Vineyards & Winery.
