

South Creek Vineyards & Winery: GOLD, SILVER, & BRONZE WINNERS

Greetings!

The 2008 harvest is finished with most of the grapes harvested around mid-September, the fruit was beautiful and with the dry summer the juice was very concentrated with intense aromas and looks to be a great vintage. The primary fermentations are finished and we expect to begin the barrel aging mid-December.

We are also excited to share with you the results of the recent Wine Competition. South Creek Wines were awarded Gold, Silver and Bronze Medals. And as a way of thanking you for your support we are offering special pricing and free shipping to those of you who are on our mailing list. Some of the quantities are limited so please place your order as soon as possible.
